Subject: Petition from residents of 8868-16th Ave. Burnaby
Attachments: Petition from 8868 16th Ave Burnaby.pdf

Sent on behalf of residents of 8868-16th Avenue, Burnaby -

Dear Mayor Hurley and City Council,

We, residents of the Crescent Heights townhouse complex, 8868-16th Avenue, Burnaby, present the attached petition to request installation of traffic calming measures at the intersection of the hidden driveway entrance into our complex on 16th Avenue across from Mulberry Place to improve the safety of all road users.

A recent accident and regular "near misses" highlight the serious dangers posed by the eastbound blind intersection, hidden driveway, and speeding vehicles at all times of day and night. These dangers are exacerbated by traffic congestion, particularly during rush hour.

Traffic calming will improve the quality of life for residents by forcing slower speeds for vehicles and improving the safety of all road users, especially children, seniors, disabled persons, and those walking or cycling.

We would be pleased to meet with you to provide further information. Thank you for considering our request.

David and Thalia Harvey, [REDACTED], Burnaby
Tom and Eileen James, [REDACTED], Burnaby

PLEASE CONFIRM RECEIPT

PETITION TO BURNABY CITY COUNCIL

CITY OF BURNABY
DEC 30 2019
COUNCILS OFFICE

November 20, 2019

We, the undersigned residents of the Crescent Heights townhouse complex, present this petition to request installation of appropriate traffic calming measures at the intersection of the entrance into our complex (a hidden driveway) across from Mulberry Place and 16th Avenue. A recent serious accident at the intersection and the regular near misses highlight the serious danger posed by speed and the eastbound blind intersection at all times of day and night and which are exacerbated by traffic congestion particularly during rush hour.

Traffic calming will improve the quality of life for residents by forcing slower speeds for vehicles and increasing the safety of all road users, especially children, seniors, disabled persons, and those walking or cycling.
