Office of the City Clerk  
Burnaby City Hall  
4949 Canada Way  
Burnaby, BC, V5G 1M2

**Attn: His Worship Mayor Mike Hurley and Members of Council**

Dear Your Worship and Council,

I am writing to request an opportunity to present an annual update of Vancouver International Airport's (YVR) operations and activities to Burnaby City Council. During the presentation we will share YVR's accomplishments in 2019 and key activities and focus areas for the coming years. We would also like to touch upon our relationship with Burnaby, our impact on the local economy, and the actions needed to achieve shared long-term objectives.

YVR is Canada's second busiest airport, welcoming more than 26 million passengers in 2019 and supporting 56 airlines in their effort to connect people and businesses to more than 127 non-stop destinations across Canada, the U.S. and around the world. In this regard, YVR plays a critical role in facilitating the arrival and transit of people and goods, generating maximum productivity and competitiveness for a range of sectors and, in turn, making important contributions to local economies across the region.

We look forward to connecting with mayor and council. Please contact me at 778-991-7412 or email [trevor\\_boudreau@yvr.ca](mailto:trevor_boudreau@yvr.ca) to schedule an appropriate date.

Thank you for your time and consideration.

Sincerely,

Trevor Boudreau  
Senior Advisor, Government Relations  
Vancouver Airport Authority
