Dear Councillor S. Dhaliwal and the Burnaby City Council,

Re: City of Burnaby Bursary

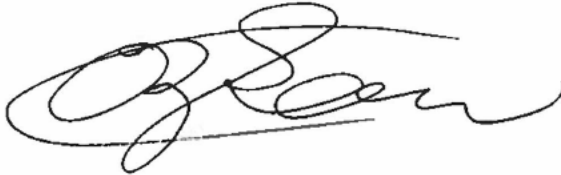

I would like to take this opportunity to thank you for your generosity in funding the "City of Burnaby Bursary". I am extremely honoured to be this year's recipient of the award.

As my studies at École Moscrop Secondary are nearing an end, I am planning on continuing my studies at the University of British Columbia in the Faculty of Science as I continue on my path to hopefully, some day, become a practicing physician. I would like you to know that your contribution to my education will not be forgotten.

As a member of this community, working for the municipality in the Aquatics Division as a Lifeguard and as a Leader in the Warming Centre program that Mayor Mike Hurley himself has spearheaded, with no doubt in my mind, I am proud to be a resident of Burnaby.

Your generosity and kindness have inspired my efforts which will help me to continuously learn. It is with the utmost gratitude that I accept this award, in hopes that I will be able to serve my community in a greater capacity as a result. Thank you.

Sincerely,

Burak Ozkan
Alumni of École Moscrop Secondary and UBC Undergrad
