Option #2

Date: June 09th, 2020

DRAWINGS AND SPECIFICATIONS ARE PROPERTY OF S.F. SCOTT MANUFACTURING. THIS DRAWING MAY NOT BE REPRODUCED IN WHOLE OR IN PART WITHOUT THE PRIOR WRITTEN CONSENT OF THE ENGINEERING DEPARTMENT

BLUE IMP RECOMMENDS
THAT SLIDES BE INSTALLED
WITH SLIDE BEDS FACING
BETWEEN NORTH AND EAST

NOTE : PRIOR TO INSTALLATION, VERIFY THAT THE PROTECTIVE SURFACING ZONES AND/OR NO-ENCROACHMENT ZONES FOR PLAY EQUIPMENT ARE NOT COMPROMISED BY TREES SITUATED ADJACENT TO THE PLAYGROUND.
REGULAR INSPECTION/MAINTENANCE OF NEARBY TREES IS RECOMMENDED, TO ENSURE THAT EXPOSED ROOTS AND/OR OVERHANGING BRANCHES DO NOT BECOME A HAZARD IN THE FUTURE.

CONFORMS TO THE CAN/CSA-Z614-20 STANDARD "CHILDREN'S PLAYGROUND EQUIPMENT AND SURFACING"

AREA REQUIRED IS BASED UPON SUPPLIED SURVEY INFORMATION SHOWING LOCATION OF EXISTING EQUIPMENT AND BORDERS. EXACT LOCATION OF EXISTING EQUIPMENT AND BORDERS TO BE VERIFIED ON SITE TO ENSURE ADEQUATE SAFETY ZONES, AND TO VERIFY REQUIRED QUANTITY OF SURFACING MATERIAL.

SOME BORDER DIMENSIONS ARE TO MINIMUM ALLOWANCE

PERIMETER SHOWN REPRESENTS EXTENT OF REQUIRED SAFETY SURFACING. WIDTH OF BORDER MATERIAL MUST BE ADDED BEFORE EXCAVATION.

100% FUN, MADE IN CANADA

Born and raised in Canada, the Blue Imp brand remains proudly Canadian to this day. Family-owned and operated for four generations (since 1917!), we have grown to become Canada's longest-standing manufacturer of playground equipment. We continue to craft high quality playground equipment and park amenities at our headquarters in Medicine Hat, Alberta.

DESIGNING FOR CANADIANS

At Blue Imp, we understand Canada's climate and strive to design products that stand up to weather extremes while offering year-round play value. Because Blue Imp is 100% owned and operated in Canada, you can rest assured that the products you buy meet or exceed all CSA standards and were manufactured under safe and fair working conditions.

EMPLOYING CANADIANS

Blue Imp provides quality jobs for Canadians in a wide range of fields, including design, drafting, fabrication, finishing, quality control, sales, administration, shipping and installation. In addition, Blue Imp's apprenticeship and training opportunities help to develop Canada's workforce.

REDUCING ENVIRONMENTAL IMPACT

Because our products are manufactured right here at home, they are closer our customers, which means less transport and lower emissions, both for your initial purchase as well as service and parts in the future.

BUILDING A STRONGER CANADA

As the engine of the economy, manufacturing creates a multiplier effect that generates wealth and job growth in other sectors. By purchasing Blue Imp products, you are helping to build a stronger Canada. Blue Imp founder Simon F. Scott summed it up with these wise words: "What Canada makes, makes Canada!"

WHY CHOOSE BLUE IMP?

As Canada's longest-standing playground manufacturer—family-owned and operated since 1917—we design and fabricate a vast array of playground, park furniture and related products at our headquarters in Medicine Hat, Alberta. Our products are infused with family pride and backed by the strongest warranty in the industry.

MADE IN CANADA, BUILT TO LAST

We proudly manufacture our playground and park products right here in Canada and having done so for four generations, we understand a thing or two about delivering the kind of quality Canadians expect and the kind of durability our climate demands. What Canada makes, makes Canada!

DESIGNING FOR YOUR NEEDS

Blue Imp specializes in bringing your ideas to life and adding a personal touch to each project. Our experienced design team strives to create engaging playgrounds that meet the needs of your particular target group, community or school. Our structures are thoughtfully designed to provide inclusive play experiences for varied ages and abilities and to develop physical literacy skills as well as provide sensory, imaginative and social experiences.

PLAY LONG, PLAY STRONG

At Blue Imp, we insist on using superior materials to craft highly durable products that stand up to enthusiastic play and extreme weather. We promote steel components for their longevity and vandal-resistance and we back our products with the best warranty in the industry.

SERIOUS ABOUT QUALITY & SAFETY

Blue Imp is proactive in promoting safety. Our products meet or exceed the safety guidelines set out by CAN/CSA - Z614-14 as well as ASTM F1487. We are a member in good standing of IPEMA (the International Playground Equipment Manufacturer's Association) and are an IPEMA-certified facility. Our ISO9001:2015 certification ensures that our plant meets rigorous manufacturing standards.

ALWAYS HERE TO HELP

Understanding that each project presents unique challenges, we are here to help. From fundraising ideas and creative design solutions right through to installation, Blue Imp provides expert, hands-on guidance and support every step of the way.

BLUE IMP SPECIFICATIONS: ImpPLAY FORMAT

For sleek playground structures designed for smaller spaces and budgets, our ImpPlay format is the perfect solution. Features our *exclusive IMPut system*, the only authentic direct-bolt connection system in the industry. Components bolt directly into factory-drilled posts for efficient, hassle-free installation and an ultra-secure connection. Ideal for community builds or supervised installations.

ImpPLAY FEATURES

- sturdy, round support posts
89mm O.D. x 3mm (3.5" O.D. x 11ga)
- direct-bolt, clampless, tamper-resistant IMPut connection system with pre-drilled mounting holes for easy installation
- cast aluminum fittings and post caps
- stainless steel, tamper-resistant steel hardware
- high-performance, UV-resistant polyester powder coating

Features our exclusive easy-install, direct-bolt IMPut connection system.

GENERAL SPECIFICATIONS

All Blue Imp products meet or exceed the current CAN/CSA Z614, ASTM F1487 and CPSC standards.

- Support Posts: in-line galvanized Allied Flo-Coat steel with triple layer protection for maximum strength and corrosion resistance; lifetime warranty.
- Steel Components & Rails: in-line galvanized Allied Flo-Coat steel tubing with triple layer protection for maximum strength and corrosion resistance.
- Stainless Steel Slides: bedway constructed of 1.65mm (16ga) stainless steel. Durable, vandal-resistant, static-free (cochlear-implant friendly) and 100% recyclable. 20-year warranty.
- Hardware: corrosion-resistant, tamper-resistant steel for durability and safety.
- Rails & Connection Pipes: 33mm (1 5/16") O.D. steel tubing for strength and easy gripping.
- Finish: high performance, solvent-free super durable polyester powder coating for maximum UV and humidity resistance as well as colour and gloss retention in weather extremes. Life expectancy is three times longer than comparable coatings.
- Platforms, Ramps, Stairs & Stepping Saucers: one-piece perforated steel plate with heavy-duty vinyl coating for durability and resilience; perforations minimize moisture and ice retention.
- Plastic Panels: 19mm (3/4") thick, high-density UV-stabilized food-grade extruded polyethylene sheet.
- Plastic Slides: molded from medium-density, UV-inhibited food-grade polyethylene resin. Double-walled with an average wall thickness of 8mm (5/16").
- Rope/Net Components: 16mm (5/8") dia., constructed of 6 high-strength strands of steel wire and synthetic fibers, thermo-fix bonded over a 3-strand fiber core to form a durable yet flexible rope.
- Rootz Slats: composite wood material with Solid Core technology for maximum durability and damage resistance.

BLUE IMP STAINLESS STEEL SLIDES

long-lasting, vandal-resistant fun

There are many reasons why Blue Imp leads the industry in stainless steel slides, but at the end of the slide, it comes down to this: nothing beats stainless steel for long-lasting performance that's super fast and super fun! That's why some Canadian municipalities are mandating stainless steel slides on all playgrounds.

HIGHLY DURABLE & VANDAL-RESISTANT

Stainless steel slides stand up to rough play and extreme weather conditions and are less prone to graffiti than slides made from other materials. Because they are not flammable, they are not an attraction for vandals. Thanks to their durability and vandal-resistance, stainless steel slides require little to no maintenance over their lifetimes.

20-YEAR WARRANTY

Blue Imp stainless steel slides are backed by a 20-year no-nonsense warranty for added peace of mind.

BETTER FOR HEARING-IMPAIRED USERS

stainless steel slides do not create the static electricity that can damage cochlear implants worn by children with hearing impairments, making them more inclusive than other type of slides.

ECO-FRIENDLY

Steel's long lifespan makes it a greener choice than other options. In addition, steel is the most recycled material on earth and is easy to recycle in most communities. A great way to reduce the use of plastic!

SO MANY WAYS TO SLIDE

From our extra-steep, extra-fast Deep Dip slides in single, double and triple formats through to our curvy Spiral and 90 Degree designs, Blue Imp's wide selection of stainless steel slides ensures variety for diverse ages and stages.

BLUE IMP WARRANTY

It is with confidence and family pride that we continue to back our products with the best warranty in the industry. Blue Imp has been manufacturing playground equipment for four generations and we strive to build high quality playgrounds that will last for generations to come.

LIFETIME WARRANTY

On all stainless steel hardware and steel support posts against structural failure due to corrosion or deterioration.

20-YEAR WARRANTY

On all stainless steel components against structural failure due to defective materials or workmanship.

15-YEAR WARRANTY

On all steel and aluminum components against structural failure due to defective materials or workmanship.

10-YEAR WARRANTY

On plastic and vinyl-coated components against structural failure due to defective materials or workmanship. On cable/rope components against breakage.

5-YEAR WARRANTY

On composite recycled plastic/wood against defective materials other than normal wear and tear. On bearings against defective materials and workmanship. On GFRC (glass fibre reinforced concrete) products against structural failure due to defective materials or workmanship (does not include hairline cracks, chips or colour variations).

2-YEAR WARRANTY

On all acrylic products and Music Outdoors products against defective materials or workmanship.

Warranty is valid provided that equipment is installed in accordance with manufacturer's specifications as well as any applicable standards and is being used as intended. Warranty does not cover vandalism or misuse.

10 Year Limited Warranty

North West Rubber Ltd., (“NWR”) offers the following limited warranty on the PlayFall® Safety Surfacing System.

1. NWR warrants that all products it supplies will meet the applicable product specifications specified by NWR and will be free from defects in material and workmanship at the time of shipment from NWR and for five (5) years (the “**Initial Warranty Period**”) thereafter. If defects appear during the Initial Warranty Period, NWR will, at its sole option and as the customer’s exclusive remedy, repair or replace the defective product. If there are defects in material and workmanship subsequent to the Initial Warranty Period and up to ten (10) years from the original date of shipment, NWR will replace the products and charge the customer a prorated amount based on years of use. This calculation will be based on current prices (plus tax) at the time of replacement and is set out in charts below:

Number of years from date of original shipment to date of claim	Percentage of replacement price for which customer is responsible
0-5	0%
6 or less	50%
7 or less	60%
8 or less	70%
9 or less	80%
10 or less	90%

2. The Warranty only applies provided that NWR receives written notice (mailed to address below) of the defect along with proof of purchase from NWR or an authorized dealer. To claim under the Initial Warranty Period, the receipt of the required information by NWR must be within ten (10) days of the end of the Initial Warranty Period.
3. This Warranty applies to materials only and does not include any other cost, such as delivery, installation, removal, or labor costs. This warranty is not transferable and is valid only for the original customer.
4. Any defect determined by NWR not to be due to a defect caused by NWR (e.g. if it is attributable to alteration, modification, negligence, or misuse by the customer or another person) is not covered by this Warranty. The normal wear and aging of your product due to normal usage is not covered by this Warranty.
5. Designs, data, and other technical information supplied by NWR are supplied “AS IS” and are not covered by this or any other warranty, except as expressly stated otherwise in writing by NWR.
6. NWR warrants that the PlayFall® Safety Surfacing System complies with the requirements of the ASTM F1292-18 Standard Specification for Impact Attenuation of Surfacing Materials Within the Use Zone of Playground Equipment

Warranty Exclusions

This warranty is in lieu of all other representations, warranties, conditions, guarantees, obligations or liability, expressed or implied, including any warranty of merchantability or fitness for a particular purpose other than the use zone of playground equipment.

This warranty does not cover product failure caused by:

- Improper installation or maintenance (see installation, care and maintenance instructions) including, but not limited to, the product being installed on top of improper sub-surface preparation or improper adhesive use.

- An act of negligence, abuse, accident, misuse, including, but not limited to: vandalism, civil disobedience, act of crime, act of war and the like occurs.
- Acids, caustic materials or petroleum chemicals and the like, direct or airborne.
- Color change caused by exposure to UV and/or normal abrasion from pedestrian traffic.
- Normal wear in heavy usage (such as, under swings, slide exits, around spinner apparatus, etc.) and high traffic areas. Wear patterns in these areas are normal and considered a maintenance item (not eligible for warranty coverage).
- Extreme excessive forces (up to 2000 pounds per square inch). Common contributors of this type of force include, but are not limited to, high heels, as well as narrow tipped chair supports.
- Repairs, alterations or modifications made to the surfaces without prior consultation, consent or authorization from NWR.
- The customer fails to comply with all terms and conditions stated herein.
- The customer denies NWR and/or its representative access to the installed product and/or fails to cooperate in providing permission for this access.
- The customer uses the product for any application other than the one it is intended for.
- Payment for the product has not been made in full.

In no event will NWR be liable to the customer or any third party for any damages, including for personal injury or death, any lost profits, lost savings or other consequential or incidental damages arising out of the use or inability to use the product even if NWR and/or its representatives have been advised of the possibility of these damages. The liability of NWR shall in no event exceed the replacement cost of the product.

In the event a warranty claim is sought, it is the responsibility of the customer to secure the site where the warranty claim is sought and prevent its use until repairs/ replacement occurs and the site is remedied. NWR is not required to honour this warranty in the event any warranty claim site is not properly secured and, for greater certainty, NWR is not liable for any personal injury or death that occurs, including while any warranty claim site has not been remedied.

THIS IS THE ONLY WARRANTY OFFERED BY NWR. NWR EXPRESSLY DISCLAIMS ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

****Original Proof of Purchase Required****

COLOUR THE FUN!

POLYESTER POWDER COLOURS

Count on long-lasting vibrance with our super durable polyester powder coatings, formulated for maximum UV stability, fade resistance and gloss retention.

VINYL COLOURS

Our heavy-duty vinyl coating is applied to platforms, stairs and saucers.

PANEL COLOURS

Panels are constructed of UV-stabilized polyethylene sheet for long-lasting vibrant colour.

**Indicates that panel is also available in opposite colour scheme.*

Colours shown may not accurately reflect actual colours.

COLOUR PALETTES

When it comes to playgrounds, colour adds to the fun. Choose from our pre-designed palettes or dream up your own colour scheme!
