Good evening,

I hope this finds you well.

I had been hoping to request a "delegation" spot on the Monday, July 27 council meeting to share the final report of the *Burnaby Business Recovery Task Force* with Mayor and Council, and to ask Council for recommendation to City staff to review the report and determine how the City could help implement the recommendations pertaining to the City of Burnaby.

I believe delegations are still only making written submissions, so I hope you can help get this onto the agenda for discussion. The final report of the Task Force is attached.

Please let me know if you need anything further from me at this time.
