Dear Madam/Sir,

I strongly oppose to the opening of a government permit cannabis store at #1-4429 Kingsway (Burnaby Old Orchard Shopping Center). As shown in the attached map, it is within 500 meters to CHAFFEY-BURKE ELEMENTARY SCHOOL. As a mother of two young kids, I am deeply concerned about its long-term effects on the kids' developing brain.

Best Regards,

Hi there,

I want to express my objection. Please see the attached. Thank you!

Best regards,
Winnie

Strongly oppose the "Amendment Bylaw No. 26, 2020 - Bylaw No. 14199" to permit a government permit cannabis store at #1-4429 Kingsway (Burnaby Old Orchard)

Dear officer,

I'm Winnie, the resident of 5630 Elsom Ave, Burnaby V5H2Z9. I'm writing to express my objection to the "Burnaby Zoning Bylaw 1965, Amendment Bylaw No. 26, 2020 - Bylaw No. 14199". I strongly oppose to the opening of a government permit cannabis store at #1-4429 Kingsway(Burnaby Old Orchard Shopping Center).

I and my family have lived in this Metrotown neighborhood for many years. This community is a friendly and safe community with two elementary schools (Chaffey-Burke Elementary and Marlborough Elementary), library, densely inhabited buildings, playgrounds, parks, community center blocks away from each others. Many families with young children, teenagers and seniors live here. The proposed location of the Cannabis store is near all these public facilities. Thus, its negative impact on the local residents, especially to the children and seniors, cannot be ignored. Researches have shown the use of cannabis will increase the likelihood of impaired driving (Reference 1), and adjacent areas of cannabis store saw about 84 more property crimes per year than neighborhoods without a nearby cannabis store (Reference 2). We are very concerned of the negative impacts that this Cannabis Store will bring to our community. As parents, the last thing we want to see is to put my children in danger on our way to the schools, community library, community center, and parks. I sincerely appreciate my children and other residents can feel secure and safe while we're enjoying daily life in our community, therefore I am strongly opposed to the opening of a Cannabis store at #1-4429 Kingsway Burnaby Old Orchard Shopping Center in our neighborhood!

Thank you very much for your consideration!

Dear Mayor,

Please find below the strong opposition by Aileen Han, a constituent of Burnaby - Deer Lake, against Amendment Bylaw No. 26, 2020 - Bylaw No.14199, which would permit a government cannabis store at #1-4429 Kingsway.

The constituent has referenced a study, citing that neighbourhoods adjacent to a cannabis store reported more property crimes than neighbourhoods without an adjacent cannabis store. Has the City conducted a study on the subject matter, and has the City deliberated what mitigation measures may be in place to address these concerns?

While I understand that zoning and permitting are under the purview of the municipal government, as the provincial representative, I would like to make sure that the voice of my constituent is heard. Thank you for your time and consideration.

Sincerely,?

Hi, Anne Kang

During the week, my friends and my group of family had a shocking time. Our group always follow up your Party platform?The cannabis industry is far from the activities of teenagers and the shopping environment of newborn mothers.

Please help us we have been with you. (see attachment)

Dear officer,

We are 84 parents in Ecole Marlborough School (Full address: 6060 Marlborough Avenue, Burnaby, BC V5H 3L7). We are writing to urge the government to revise its guideline regarding the location of a new cannabis store. No cannabis store should be opened within 500 meters' distance from schools, libraries, community centers and playgrounds!

City of Burnaby has recently issued two Zoning Bylaws to allow two government permit cannabis stores opened at #1-4429 Kingsway (Burnaby Old Orchard Shopping Center) and #7360 Kingsway. Both of these two communities are friendly and safe communities with elementary schools, libraries, densely inhabited buildings, playgrounds and community centers blocks away from walking distance. The proposed locations of two Cannabis stores are near all these public facilities. Thus, the negative impacts on the local residents, especially to the children and seniors, cannot be ignored.

1. Researches have shown the use of cannabis will increase the likelihood of impaired driving (Reference 1).
2. The adjacent areas of cannabis store saw about 84 more property crimes per year than neighborhoods without a nearby cannabis store, which will result in harassments to senior and children (Reference 2).
3. The second-hand Cannabis smoke is harmful to kids, seniors as well as pregnant women (Reference 3).

We are very concerned of the negative impacts that these two Cannabis Stores will bring to our community. As parents, the last thing we want to see is to put my children in danger on our way to the school, library, community center, and parks. We strongly oppose the opening of two Cannabis store at #1-4429 Kingsway Burnaby Old Orchard Shopping Center and #7360 Kingsway.

Again we urge the government to set up a clear guideline on the location of a new cannabis store. Keep any cannabis store at least 500 meters away from schools, libraries, community centers and playgrounds!

Thank you very much for your time!

To whom may concern,

I'm Maggie Chen the resident of 4155 Price Cres Burnaby. As a parent of two kids studying in Chaffey- burke elementary school, I am writing this letter to let you know my concerns about the opening of the cannabis store in Old Orchard Shopping Center.

We strongly oppose the opening of the cannabis store in Old Orchard Shopping Center due to the safety and health of our students in Chaffey-burke elementary school.

Our school, which has more than 500 elementary students and a strong start program, is located just steps away from Old Orchard Mall. Currently, we have been noticing some people smoke marijuana in Old Orchard Park and on the lane from Old Orchard Mall to this park. The park is adjacent to the upper field area of our school where there are playground facilities and two basketball courts. Also, the park is also the venue of some after school programs provided by the Burnaby community center. Many kids play in the upper field area of our school and the park during and after school time. If the cannabis store were to open in Old Orchard Mall, we could predict more people to smoke marijuana at Old Orchard Park which is the closest park to the store. This means so many young kids would be exposed to the increasing secondhand marijuana smoke.

According to the research from "Secondhand marijuana smoke and kids", Claire McCarthy, MD Senior Faculty Editor in Harvard Health Publishing[1], it demonstrated that secondhand marijuana does harm to children's health. Some research results are listed below.

Studies show that when you are around someone who is smoking marijuana, the smoke gets into your system too. How much of it gets in depends on how close the person is, how many people are smoking and how much, how long you spend near them, and how much ventilation there is in the space. But research is clear that cannabinoids, the chemicals that cause the "high," get into the bodies of people nearby — including children.

Besides the fact that we don't want children getting high, or exposed to the dangers of inhaled secondhand marijuana smoke, there is an additional concern about long-term effects on the brain. While research is still ongoing, there is evidence to suggest that when youth and young adults (whose brains are still developing) are exposed to marijuana, it may have permanent effects on executive function, memory, and even IQ.

In addition, young kids are curious about the unknown. They would be tempted to try to get and smoke marijuana by too much exposure to smoking. Consequently, it would bring about many problems in our society, community, and family.

Therefore, based on the above facts and relevant research results, I strongly oppose the opening of a cannabis store in Old Orchard Shopping Center. Thank you for your time and consideration!

Regards

Maggie Chen

Dear officer,

I'm Yao Fu, the resident of 1503-4603 Hazel ST, Burnaby. I'm writing to express my objection to the "Burnaby Zoning Bylaw 1965, Amendment Bylaw No. 26, 2020 - Bylaw No. 14199". I strongly oppose to the opening of a government permit cannabis store at #1-4429 Kingsway(Burnaby Old Orchard Shopping Center).

My family has lived in Metrotown neighborhood for many years. This community is a friendly and safe community with two elementary schools (Chaffey-Burke Elementary and Marlborough Elementary), library, densely inhabited buildings, playgrounds, parks, community center blocks away from each other. Many families with young children, teenagers and seniors live here. The proposed location of the Cannabis store is near all these public facilities. Thus, its negative impact on the local residents, especially to the children and seniors, cannot be ignored.

I sincerely appreciate my children and other residents can feel secure and safe while we're enjoying daily life in our community, therefore I am strongly opposed to the opening of a Cannabis store at #1-4429 Kingsway Burnaby Old Orchard Shopping Center in our neighborhood!

Thank you very much for your consideration!

Dear Mayor,

Please find below the strong opposition by Aileen Han, a constituent of Burnaby - Deer Lake, against Amendment Bylaw No. 26, 2020 - Bylaw No.14199, which would permit a government cannabis store at #1-4429 Kingsway.

The constituent has referenced a study, citing that neighbourhoods adjacent to a cannabis store reported more property crimes than neighbourhoods without an adjacent cannabis store. Has the City conducted a study on the subject matter, and has the City deliberated what mitigation measures may be in place to address these concerns?

While I understand that zoning and permitting are under the purview of the municipal government, as the provincial representative, I would like to make sure that the voice of my constituent is heard. Thank you for your time and consideration.

Sincerely,?

Anne Kang, MLA

Hi, Anne Kang

During the week, my friends and my group of family had a shocking time. Our group always follow up your Party platform?The cannabis industry is far from the activities of teenagers and the shopping environment of newborn mothers.

Please help us we have been with you. (see attachment)

Dear officer,

We are 84 parents in Ecole Marlborough School (Full address: 6060 Marlborough Avenue, Burnaby, BC V5H 3L7). We are writing to urge the government to revise its guideline regarding the location of a new cannabis store. No cannabis store should be opened within 500 meters' distance from schools, libraries, community centers and playgrounds!

City of Burnaby has recently issued two Zoning Bylaws to allow two government permit cannabis stores opened at #1-4429 Kingsway (Burnaby Old Orchard Shopping Center) and #7360 Kingsway. Both of these two communities are friendly and safe communities with elementary schools, libraries, densely inhabited buildings, playgrounds and community centers blocks away from walking distance. The proposed locations of two Cannabis stores are near all these public facilities. Thus, the negative impacts on the local residents, especially to the children and seniors, cannot be ignored.

1. Researches have shown the use of cannabis will increase the likelihood of impaired driving (Reference 1).
2. The adjacent areas of cannabis store saw about 84 more property crimes per year than neighborhoods without a nearby cannabis store, which will result in harassments to senior and children (Reference 2).
3. The second-hand Cannabis smoke is harmful to kids, seniors as well as pregnant women (Reference 3).

We are very concerned of the negative impacts that these two Cannabis Stores will bring to our community. As parents, the last thing we want to see is to put my children in danger on our way to the school, library, community center, and parks. We strongly oppose the opening of two Cannabis store at #1-4429 Kingsway Burnaby Old Orchard Shopping Center and #7360 Kingsway.

Again we urge the government to set up a clear guideline on the location of a new cannabis store. Keep any cannabis store at least 500 meters away from schools, libraries, community centers and playgrounds!

Thank you very much for your time!
