Dear officer,

My name is Lina Wu. I'm writing to comment against the "Burnaby Zoning Bylaw 1965, Amendment Bylaw No. 25, 2020 - Bylaw No. 14198", and I strongly oppose to the opening of a government permit cannabis store at 7360 Kingsway.

I moved to Edmonds neighborhood two years ago. My family and I really love our local community. Because of this love, we are really concerned about the negative effects the cannabis store brings to our community. The Edmonds community is a vivid and growing community, and we have many young children, teenagers, and seniors living here. The location of the cannabis store is just opposite to the Tommy Douglas Public Library, and only two blocks away from the Edmonds community center and parks. Thus, its negative impact on the local residents, especially to the children and seniors, cannot be ignored. Researches have shown the use of cannabis will increase the likelihood of impaired driving, and adjacent areas of cannabis store saw about 84 more property crimes per year than neighborhoods without a nearby cannabis store. As a mother of two sons, the last thing I want to see is to put my children in danger on our way to the community library, community center, and parks. I sincerely appreciate my children and other residents can feel secure and safe while we're enjoying daily life in our community, therefore I am opposed to the opening of a legal cannabis store at 7360 Kingsway, where is the center and heart of our Edmonds community.

Thank you very much for your consideration!

Regards,
Lina

Hi There,

I'm a resident of Burnaby for 15 years. I love my city.

Recently, I heard the news that there is a plan to open two cannabis stores in our city, one will be located at Old Orchard Shopping Center, and the other one will be 7360 Kingsway Kings Crossing. The two store is only 5km apart.

I just don't like the idea that you put two stores that close to each other, is there any better location in Burnaby?

We'd like to sale the cannabis to responsible adults and have less negative impact on community safety. We'd like to set up healthy life image in front of our elementary school kids, the store at Orchard is definitely not a good idea since it's too close to elementary school.

Thanks,

Ann Gu

Comment to oppose the "Amendment Bylaw No. 25, 2020 - Bylaw No. 14198" to permit a government permit cannabis store at 7360 Kingsway.

Dear officer,

I'm Sunny Chen, the resident of Surrey. I'm writing to comment against the "Burnaby Zoning Bylaw 1965, Amendment Bylaw No. 25, 2020 - Bylaw No. 14198", and I strongly oppose to the opening of a government permit cannabis store at 7360 Kingsway.

I have lived in the Edmonds neighborhood for five years and my family and I really love our local community. Because of this love, we are really concerned about the negative effects the cannabis store brings to our community. The Edmonds community is a vivid and growing community, and we have many young children,

teenagers, and seniors living here. The location of the cannabis store is just opposite to the Tommy Douglas Public Library, and only two blocks away from the Edmonds community center and parks. Thus, its negative impact on the local residents, especially to the children and seniors, cannot be ignored. Researches have shown the use of cannabis will increase the likelihood of impaired driving (Reference 1), and adjacent areas of cannabis store saw about 84 more property crimes per year than neighborhoods without a nearby cannabis store (Reference 2). As a mother of two sons, the last thing I want to see is to put my children in danger on our way to the community library, community center, and parks. I sincerely appreciate my children and other residents can feel secure and safe while we're enjoying daily life in our community, therefore I am opposed to the opening of a legal cannabis store at 7360 Kingsway, where is the center and heart of our Edmonds community.

Thank you very much for your consideration!

Hi there,

I am a resident at Kings Crossing in Burnaby. Some of the residents in our buildings are seniors and they could not speak English. They would like to attend the public hearing on August 25 to express an opinion. Could you arrange a translator of Chinese (Madarine) in the Public Hearing on August 25?

Thanks.
