Hello City Clerk,

My husband and I have the following questions regarding the above Public Hearing, which we will join via zoom.

1. What specifically does Bosa want to amend the Bylaw for?
2. What type of businesses does Bosa hope to or plan on attracting after the amendment?
3. Will there be bars / night clubs?
4. Will Bosa be demolishing any of the commercial structures?
5. Basically, we'd really like to know SPECIFICALLY why Bosa wants the amendment? It seems they would only do it if they have something specific in mind. And we would REALLY like to know the specifics, because we own a condo on the site, and changes will affect us.

Thank you very much.
