Greetings

I would like to appear before the City of Burnaby Mayor & Council at the Monday, September 14, 2020 council meeting to share information regarding activity related to the City of Burnaby 5970 Beresford Warming Centre and seek to ensure those coming to and staying at the warming centre are receiving the best services and support and those living and working in the surrounding community are enjoying and prospering in the community.

With appreciation for all working on behalf of so many of us in Burnaby

Diane Gillis
