Subject: Lower Mainland Regional Curling Hub project

Hello,

I request to be added as a delegation to the Parks, Recreation and Culture Commission meeting on January 12, 2021.

My colleague **Jennifer Scott** and I will make a presentation regarding the opportunity to partner with Curl BC on a curling facility that would meet the needs of the local and regional community.

Curl BC will present an exciting plan for a new regional curling facility for Burnaby. The facility would welcome existing Burnaby curlers who do not currently have a centre and create new interest in the low-barrier ice sport. The curling centre would be an asset for Burnaby for many years to come.

Thanks for your assistance,

Scott Braley, BA, D.Ed., MBA | CEO | Curl BC
