Parks, Recreation and Cultural Services Department

Dear Members of the Commission,

The Burnaby Neighbourhood House (BNH) is celebrating its 25th Silver Anniversary with an innovative **Car Rally Fundraiser Event** on **Sunday, May 2, 2021** which is also the launch of Neighbourhood House Week in the Lower Mainland. We would like to request a donation of an item to be used in the online silent auction for this event.

We appreciate your support to BNH the past years and would like you to once again consider a donation of passes for Golf and gift certificates to the Riverway and Mulligans Restaurants. If possible, 4 passes for Riverway and 4 passes for Burnaby Mountain. We will ensure that the Parks, Recreation and Cultural Department receive recognition in the evening program as an event contributor.

BNH is a charitable, non-profit organization. We are a volunteer driven community-funded agency with a unique focus on neighbours supporting neighbours. We are a place that feels like home, where everyone can connect, seniors can gather, youth can find a purpose and families can flourish.

We have seen much growth over the years and have responded to the increased demand for BNH's programs and services. In particular, 2020 was a year that stretched our resources to a maximum as we responded to the emergency needs of our most vulnerable neighbours. Last year alone, over 2,000 children and youth, as well as over 6,200 adults and seniors benefited from BNH's programs and services. Money raised at the event will help us continue to be responsive to our community's needs with programs and services.

We hope that your business will join in and support us in making our **25th Anniversary Car Rally Fundraiser** an amazing success and enable BNH to continue to make all Neighbourhoods in Burnaby better places for people to live, work and play! Please find enclosed the Auction Donation Form.

Thank you for your consideration.

Sincerely,
