## COUNCIL REPORT

**TO:** ACTING CITY MANAGER

**DATE:** 2021 March 23

**FROM:** DIRECTOR FINANCE

**FILE:** 5820-20

*Reference:* Tender #48-02/21

**SUBJECT: CONTRACT AWARD  
CAMBRIDGE AND OXFORD COMBINED SEWER SEPARATION**

**PURPOSE:** To obtain Council approval to award a contract for the Cambridge and Oxford Combined Sewer Separation project.

### RECOMMENDATION:

1. **THAT** Council approve a contract award to Sandpiper Contracting for an estimated total cost of \$2,614,690.05 including GST in the amount of \$124,509.05 as outlined in this report. Final payment will be based on the actual quantity of goods and services delivered and unit prices as tendered.

### REPORT

Six tenders ranging from \$2,614,690.05 to \$4,155,847.50 were received by the closing time on 2021 March 18. The scope of this project includes separation of combined sewer at two locations: Cambridge Street at Gilmore Avenue to Rosser Avenue, and Oxford Street at Rosser Avenue to Willingdon Avenue. The work includes construction of 850m of dimension ratio (DR) 35 polyvinyl chloride (PVC) storm sewer, 830m of DR35 PVC sanitary sewer, 67 storm service connections, 84 sanitary service connections, 21 manholes, and miscellaneous surface restoration.

The lowest tenderer, Sandpiper Contracting, has completed previous projects under contract to the satisfaction of the City. Review by City staff and our consultant indicates the contractor has the necessary equipment and personnel to successfully complete the work required under this contract. The Director Engineering concurs with the above recommendation.

Funding for this capital work is included in the 2021 – 2025 Provisional Financial Plan under WBS elements EKA.3193 (\$2,474,300) and EMC.3193 (\$16,000).
