Individual courses should be costed out as per the following formula:

1. Cost / per hour X Total no. of course hours
2. Add all applicable exam fees
3. Total cost excluding GST

#### Example NLS

|          |            |            |
|----------|------------|------------|
| \$7.50   | X 53 hours | = \$397.50 |
| \$397.50 |            | + \$46.00  |
| \$443.50 |            |            |

\* Please note: GST will be added when candidates register for course.

Enter fee without GST in CLASS. Rounding is no longer part of the calculation.
