

**Planning and Development Committee
Delegation Request 2021 April 27**

Shape Properties

Good Morning,

My name is Patrick and I work for Shape Properties.

Shape Properties requests to appear as a delegation at the next available meeting of the Planning & Development Committee, to provide Committee members with an update on the redevelopment of Brentwood Town Centre (The Amazing Brentwood) and Lougheed Town Centre (The City of Lougheed).

Shape and the City of Burnaby have been working closely together for the last decade on these large scale developments that contribute significantly to the goals and objectives of the City. Exciting progress has been made, accordingly, we would appreciate the opportunity to update the committee and provide an opportunity for questions and discussion.

The Shape executives that will be presenting, include:

- Darren Kwiatkowski, EVP - New Development
- Jim Rinzema, EVP - Development, Planning & Design
- Richard Aarestad, EVP - Construction
- Meaghan Tullis, VP - IPP Finance & Accounting
- Emma Fyfe, General Manager - The Amazing Brentwood

Thanks for your attention to this request.

Patrick
