Good afternoon,

I would like to request the Burnaby Board of Trade appear as a delegation at the May 10th City Council meeting.

We would like to present an update to Council on the work of the BBOT during COVID-19 to support the business community, in particular the creation of the *Centre for Burnaby Business Recovery & Resilience* as hub for local business resources and programming.

The delegation would consist of Paul Holden, President & CEO. If allowed, I would also like to participate in the delegation but I know in previous times during the pandemic it was limited to a single person.

Please let me know if you need anything further from me.

Take care,

Cory Redekop
