Public Safety Committee Report from District 2

Prepared by Aki Ediriweera, Chair

The North Road BIA has been collaborating with the RCMP to create resources for Anti-Asian hate. These resources have been very well received by the community. We had a hate crime presentation done by Cpl. Laura Hirst during our April CPAC meeting, it was attended by members of other CPACs.

There have been flickering lights at the E'Toile apartment development during the evening time. This poses as distraction for drivers who are travelling alongside Douglas Rd. and Goring St, as the lights can be quite strong.

Recent BurnabyNow article highlighted a community member's uncomfortability with the safety of the Sperling Burnaby Lake Skytrain station. See:
