Hello,

The notice I received for this public hearing is because I live in Kings Crossing 2, in a unit that faces the office building.

I have no issues with the sign installation. My only concern is related to when they decide to use it. If it's only during G&F's usual business hours, I'm completely fine with it. If they plan to leave the sign on 27/4 or late into the night, that's where I'll have a problem. I am a light sleeper, sensitive to noise and light so it would really inhibit me from having a good quality rest. Also, if I'm required to close the blinds to block the light out every evening to be able to watch TV or not be bothered by it, that's also an issue for me.

So just to reiterate, I have no problem with the sign being built as long as G&F is conscious of when they use/turn it on.

Thanks,

Priscilla Abustan--
