Hello,

This is regarding the permit for Sky signs.

I'm a resident in KC2 and we are concerned about continuous light on during sleeping hours. Please take this into consideration for decision making.

Thank you  
Ramin

Hi Burnaby City Council,

Regarding your Rez 19-39 about putting up the sky sign of GF near Kingsway and Edmonds Street. I hope the sign would be turned off after 7pm every day so that it does not affect people living in King's Crossing building facing South and West. If the signs can't be turned off, then I vote No to the proposal. Thank you.

Evelyn

Dear Sir,

I am a resident of Kings Crossing II, I am writing this email in regards with the Sky Signs permit application by G & F Financial Group. My apartment balcony faces Edmonds Street and the lights from the Sky Signs running 7 days a week all night long would be an issue.

The lights running during the business hours is not an issue at all, but the lights running after business hours is what I am concerned about. I urge the City Council to look into this matter and please come to a conclusion keeping in mind the issues that the residents of Kings Crossing building will face due to those LED Lights.

Best Regards,
