Dear Lynne,

Re: Letter of Support for Y.E. Charity Golf Tournament in Burnaby Aug 2021

I have been informed that Young Elite Vancouver has expressed interest in holding a Charity Golf Tournament in partnership with the City of Burnaby, with a portion of the event proceeds to be donated to Burnaby Hospital Foundation.

We are delighted to be included as an event beneficiary this year, and are happy to support this event.

Please feel free to let me know if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads 'K James'.
