

## Y.E. Charity Golf Tournament in Burnaby Aug 2021

My name is Kevin Wang, Co-Founder of Young Elite Vancouver. On behalf of our organization, I would like to propose a Charity Golf Tournament Event together with the City of Burnaby.

Growing up in Burnaby after my family landed in Canada back in 2005, I have witnessed the prosperous growth and successful development of this beautiful city. Burnaby means so much to my family and it is certainly my 2nd hometown that I am proud of.

For this summer, our organization would like to propose our Y.E. Charity Golf Tournament Event at a Public Golf Course in Burnaby as the outdoor activities are now allowed. We believe this is a great opportunity to work with the City of Burnaby and very excited to have our groups of young professional and golf enthusiast to one of the beautiful courses in Burnaby.

At the same time, we would like to donate the majority of the profit along with any corporate sponsorship to the Burnaby Hospital Foundation if we were able to have the golf course sponsored by the city. This will make our event more meaningful to both participants and the City of Burnaby alike.

Some information about our Y.E. Organization. Young Elite Vancouver Business Association is a non-profit organization founded in Vancouver in 2015. We are dedicated to establish a quality platform for young business elites to exchange ideas, share resources, and collaborate in business or charity projects.

Here is our past Golf Event and Year End Gala:
