Dear whom it may concern,

I'm just a near neighbour living in this area. My address is Sec. 22 (1) I saw there is a rezoning board for this karaoke just Sec. 22 (1) from my house. I have to write this opposed comment.

This rezoning is for liquor primary licence, which means they don't have it before. However, before the Covid, they do sell the liquor privately on their second floor. One day, I called them to book a room Sec. 22 (1) they do asked me if I would need to drink there. I thought they had a liquor license, so I was asking about the price. Sec. 22 (1) told me, the price is \$1200 minimum charge per room, and I can choose any liquor I want. Just let them know before we come, so they can prepare earlier. That was pricey for me, so I said no, but obviously they do provide drinking servicing illegally.

Sec. 22 (1) I did see a couple times they have liquor in the front desk area. Sometimes when Sec. 22 (1) by I could see beer bottles clearly through the big window. There is a very small road in the back of the building. Sec. 22 (1) Sometimes I could see 2 guys moving cases of beer to their karaoke. They do have a social media site called wechat. Sometimes they post drinking photos there but they don't have a liquor license!

Even after the Covid, when Sec. 22 (1) by from the back of the building. Several times around January and February this year I saw someone in the backdoor and through the big bag of garbage around 1:30-2 am. It's hard to believe they are just doing the normal cleaning work. That is a really unusual thing and doesn't make any sense. This is dangerous when everybody stays home and fights for the covid and this karaoke gathering people in there, and against the government order.

Please understand this area has more seniors and minors. This is an irresponsible permit to them. Karaoke is full of minors, and selling liquor to minors is against the law! Beyond their behaviours I strongly question whether they're gonna do better than before. I have to strongly disagree with their rezoning.

If there is any other information you want from me, please feel free to contact me any time. Stay safe, we will win this virus.

Sincerely,

Sec. 22 (1)
