To the Chair and Members of the Social Planning Committee,

I would like to formally request ten minutes on your upcoming Social Planning Committee agenda to present on the Vancouver HomeShare Pilot Program, an intergenerational housing initiative led in collaboration with Canada HomeShare, the National Institute for the Care of the Elderly (NICE), and Simon Fraser University (SFU).

Dr. Raza Mirza, Lead for the Canada HomeShare Program, and Kim Hockey, SFU Associate Director of Community Engagement, will introduce the Committee to Canada HomeShare and the Vancouver HomeShare Pilot Program. We will identify the need for intergenerational housing, relevance for the City of Burnaby, and potential for collaboration.

For your information, I have attached an information page that summarizes the Canada HomeShare program and its national expansion efforts through municipal pilots.

Please let me know if you require any additional information.

Best regards,

**Kim Hockey**
