To whom it may concern,

 I am writing to oppose the proposed Rez 19-64 due the following reasons:

- Increased vehicle traffic during construction and after construction on Hazel Street;
  - This decrease the air quality of this area and increase noise pollution, which will lead to a overall decrease in quality of life for residents of LMS 851
- The decrease of the amount of sunlight each unit at LMS 851 will receive is also concerning considering this is just the beginning of a mega project that will see a wall of 60+ stories buildings along Kingsway
- The increase of population density in this plan will overload the currently at capacity infrastructure and other support system such library, medical clinic, hospital etc

Best Regards,  
Clarence Yu
