Dear Council,

I live in north Burnaby. I am writing this letter to express my concern regarding the planned opening of a BC Cannabis Store in Amazing Brentwood area.

The proposed store is too close to childcare facilities and elementary schools. The CEFA early learning centre is right across the street from the proposed store location. Brentwood Elementary and Holy Cross Elementary schools are only a short walking distance away from the proposed location. A few more childcare and education facilities nearby are Kumon Learning Centre and Yukon Crescent Children's Centre. As a parent with young kid, I have valid concern regarding the planned location.

I would suggest moving it to different location and make Amazing Brentwood kid-friendly.

Thank you for your time and consideration.

Best,  
Chuancong

We strongly against the cannabis store opens at Brentwood Mall.  
It is better opens at other areas not such busy public places.  
There are already some people smoke the cannabis around the mall, it makes public to become second hand smoker.
