Dear Mayor and Council,

As a resident of the Brentwood Town Centre, I am strongly disagreeing to have any commercial firm including the Government to operate a cannabis store within any of our buildings and community.

Thank you very much for your attention.

I am opposed to having a Cannabis store at the proposed location due to its proximity to kids/teens that frequent the area as a result of the Rec Room being nearby.

On any given night, you will see large groups of teenagers hanging around the Brentwood area, and I feel that having a Cannabis store nearby will influence them before they are old enough to make an informed choice.

As well, being a homeowner, the duct system will constantly bring in the smoke from the outside and circulate around. Many young families call these areas home, thus exposing young children to the smell and potential effects.
