

To whom may it concern,

I have questions and concerns that need to be addressed at Rezoning application #20-37 public hearing.

Has the BC Cannabis store ever established its business in a high-density residential area? If not, why is BC Cannabis proposing to rezone the high-density multiple family residential districts at #2-4615 Lougheed Highway?

This neighborhood is multiple family residential district approximately 1000 families live with small children. Has the BC Cannabis store ever established a store in the building where a multitude of minors live and play? Would not a location that isn't as accessible to children be preferable to a residential building where children live?

Further, Does BC Cannabis and City of Burnaby have data or a study on the relationship between the proximity to a Cannabis store and childhood development? Does it increase adolescent Cannabis use?

Children are the future of our community and we are obligated to provide a safe and healthy environment for the future of our community.

Best regards,

Jason

Hi,

Attached is my questions in regard to rezoning application #20-37.

Could you deliver the questions to the public hearing please?

BR,

Jason

Hi,

I was wondering how, when and where can I participate on the public hearing regard to rezoning application for 4615 loughheed hwy on Aug 31st.

Thanks,

Jason
