Subject: 2021 City Of Burnaby Employees Workplace United Way Campaign

The City of Burnaby Employees United Way Workplace Campaign Committee is in the planning and development stage for our 2021 campaign. We will be contacting local businesses to request **non-monetary contributions** to recognize City of Burnaby employees who contribute to our United Way fundraising campaign either through ongoing payroll deductions or lump sum donations.

The City's Employee Workplace United Way Campaign contributions support the **United Way of the Lower Mainland** for the benefit of those in need in our community. Additional information about the United Way of the Lower Mainland is available at www.uwlm.ca.

The 2021 campaign runs from October 25 to November 5. We welcome any contribution that the Parks, Recreation, and Culture Commission could make to enhance the success of this year's fundraising efforts. We hope you will renew the support you have provided to our previous United Way campaigns by providing admission passes that reflect the wide range of activities and services offered by the Department.

We know that our continued success would not be possible without your support and for that we are very grateful. If you have any questions regarding our campaign or would like to arrange for donation pick-up, please contact Sarah Kim at 604-294-7616.

Thank you for your continued support.

Yours truly,
