Good afternoon,

My name is Griff MacDonald and I work on the Public Affairs team at TransLink. I am reaching out today to request a 10 minute presentation from TransLink on Transport 2050 be included in the City of Burnaby council meeting agenda for the Monday, October 25<sup>th</sup> meeting. This presentation will provide council with an update on the Transport 2050 process. I would like to request that this presentation be included on the agenda following Metro Vancouver's presentation on Metro 2050 at the same meeting.

We can confirm our presenter and send along a copy of our presentation at a later date, before the council meeting. Please let me know if you have any questions.

Thank you,

Griff
