Subject: Rez # 20-03

Rez Ref # 20-03

Bylaw # \_\_\_\_\_

Dear: Sir/Madam

I am opposed to this rezoning. This entire parcel of land should be used for social housing, I am sure that a development can be created that will be long lasting and not be intrusive to the community.

Our public hearing process should stop being a farce. The real estate company is already advertising the sale of these apartments and it has not even been before a public hearing.

Yours truly,

Allen Hutton
