4. DELEGATIONS

4.1 Forest Science, Planning and Practices Branch, BC - Re: Lymantria Moth Eradication Program

Speaker: Tim Ebata, Provincial Forest Entomologist

Mr. Tim Ebata, Provincial Forest Entomologist, Forest Science, Planning and Practices Branch, BC Ministry of Forests, Lands, Natural Resource Operations and Rural Development, appeared before Council via Zoom, and provided a PowerPoint presentation on a planned aerial spray treatment to eradicate an establishing Lymantria (formerly gypsy) moth population centred over the intersection of Holdman Avenue and Lougheed Highway, east of Brentwood Town Centre. The aerial spray is planned for the spring of 2022 and covers 193 hectares.

It was noted that Lymantria moth is an insect pest, which can defoliate and kill a broad range of host trees, and eradication programs are an essential component of the Long-Term North American Gypsy Moth Management Plan for BC. The spray is approved by the Ministry of Environment. The active ingredient of the spray is a bacteria that is found naturally in soil, and it affects only the larvae of moths and butterflies that are feeding at the time of the spray. Humans, pets, birds, bees, plants, and other wildlife are not affected. The spray breaks down rapidly once applied and there is no long-term residual effect.

BC Ministry of Forests, Lands, Natural Resource Operations and Rural Development mailed notification to the area residents (over 9,000 addresses, schools, etc.); have 24-hour information line available for public, as well as information on a website. In addition, there will be highway signs with dates and times to notify motorists about the aerial spray. Fire services and RCMP were also informed. To-date, very little feedback has been received by the Ministry.

The speaker requested that the City includes information regarding the aerial spray on the City's website, and direct any questions residents may have to the Ministry.

In conclusion, Mr. Ebata noted there are three proposed applications: late April or early May 2022 (weather dependent), and two more at seven- to ten-day intervals. The spraying will start at 5:45 a.m. and finish by 7:30 a.m. for each spray day.

4.2 Katy Alkins-Jang - Re: Proposed Zoning Changes within Royal Oak Plan

Speaker: Katy Alkins-Jang

Ms. Katy Alkins-Jang appeared before Council noting that the Royal Oak Community Plan was approved in June 1999. The Plan supported multi-

family/multi-storey development on arterial routes, and multi-family (duplex and fourplex) development within traditional single-family neighbourhoods. Since 1999, the City has identified and developed the town centre concept. The Metrotown City Centre is immediately adjacent to the Royal Oak Community Plan area and contains the most planned density of any of the town centres. When the Metrotown Plan was developed, Council decided not to allow density east of Royal Oak Avenue.

The speaker noted there are in total 11 rezoning requests pending for the Royal Oak area. The amount and pace of these requests is out-of-sync with the existing Plan.

Ms. Alkins-Jang expressed concerns with the Palm Avenue rezoning, namely the following: two towers (20-storey and 15-storey) on top of three-storey of commercial office space; lack of public consultation; pressure on community services, community centres, schools and the library; and traffic and parking issues. It was further noted that densification does not guarantee affordability, and the City needs to better manage speculation purchases of new/existing market inventory.

In conclusion, the speaker requested that the City pauses the rezoning approvals until an expedited review of the Royal Oak Community Plan can be started; commit to a timeline for an overall review of the Plan that will prevent further ad-hoc zoning proposals that are outside of the current Plan; update the process around re-development to reflect the way the City communicates, and include longer time frames and broader notification areas.

8. NEW BUSINESS & INQUIRIES

World Down Syndrome Day

Councillor Jordan acknowledged that March 21 is World Down Syndrome Day.

Vandalism to a Mural Supporting Ukraine

Councillor Jordan advised that on Saturday, a temporary blue-and-yellow “Stand with Ukraine” mural on Wilson Avenue near Metrotown, painted by Jordan Malcolm, was vandalized with red spray paint. Councillor Jordan thanked Mr. Todd Polich, the City’s Anti-Graffiti Coordinator, who helped to cover up the graffiti.

Electoral Boundaries

Councillor Calendino referred to Item 1.1. of the Council Correspondence Package dated 2022 March 21 from the BC Electoral Boundaries Commission regarding electoral boundaries. It was noted that Burnaby reached a population of over 250,000, and Council should reconsider to add another constituency in Burnaby.

Arising from discussion, the following motion was introduced:

MOVED BY COUNCILLOR CALENDINO
SECONDED BY COUNCILLOR GU

THAT Council send a letter to the BC Electoral Boundaries Commission to consider adding an extra constituency in Burnaby.
