To Whom it May Concern,

We acknowledge the Notice of Public Hearing received on January 20, 2021 for the rezoning/bylaw amendment at, 6450, 6486, 6488 and 6508 Telford Avenue, Burnaby.

The Greater Vancouver Regional District (GVWD) does not own any infrastructure in the immediate area of the proposed development. We do own the 1371.6mm South Burnaby Main No.1 and the 1219mm Central Park Main No.2, which are both located further south of the development. Attached is a map showing the GVWD main locations. We understand this proposal is in the early stages and more details will be provided where Metro Vancouver will be allowed to contribute further comments.

When available we request further information on the anticipated impact on the City's estimated water purchase from Metro Vancouver resulting from this development.

Thank you,

Stephanie Erickson
