RE: BURNABY ZONING BYLAW 1965
AMENDMENT BYLAW NO 38, 2022
BYLAW #14524 REZ #19-28
7465 GRIFFITHS DR

THROUGH WORD OF MOUTH, I HAVE
HEARD ABOUT THE PUSH TO CHANGE
A BYLAW TO ALLOW CONSTRUCTION OF
A HIGH RISE RESIDENTIAL STRATA
TOWER AT 7465 GRIFFITHS DR.

WHY WASN'T OUR STRATA NOTIFIED?

I AM ABSOLUTELY AGAINST A HIGH
RISE IN A LOW RISE NEIGHBORHOOD.

THE INTERSECTION OF RUMBLE AND
GRIFFITHS IS ALREADY AWKWARD.
ADDING A HIGH RISE WILL ONLY
ADD TO THE CONGESTION DURING
OF TRAFFIC

CONSTRUCTION OF ANY STRUCTURE,
SINCE A BUILDING WILL ADD TRAFFIC
TO PRENTER ST, COMING AND GOING
BECAUSE YOU CANNOT MAKE A LEFT
ON OR OFF RUMBLE.

I THINK THE PARK AREA SHOULD
BE EXTENDED ONTO THIS PROPERTY
AND KEEP THE HIGH RISES BY
THE SKYTRAIN AREA. (CITY IN THE PARK)

I'M NOT GOING TO NIT-PICK THE
REASONS THIS IS JUST WRONG.

I'M JUST AGAINST THE
PROPOSED BYLAW.

Kim O. McCordach
