Submission
We moved into this Polygon building in 2020. If Polygon to build another three high-rises and one low-rise adjacent to our high-rise, then we'll be facing:
-blocked views from North and East sides;
-lack of privacy - as those high-rises will be so close to our building on 2388 Madison Ave.
-constant construction noise & dust for many years.
-we oppose to the development of so many buildings within so close distance of our existing building.
Thank you for your attention in this matter.
