Dear Mayor and Council,

As a member of Edmonds Place Housing Co-op, I am concerned about the connection from Kingsway to 14 Ave via the subject site. Specifically, as a father of two, I am concerned that traffic is increasing, increasing noise and the amber pedestrian controlled light at Edmonds St at 16th Street is dangerous. Furthermore, with an increased number of neighbours, the connections to the Highline (bike and pedestrian) and areas where crossing the street can become more dangerous. Please take this into consideration.

Thank you,
