I am against the purpose of Non-market rental as I feel this will bring down the value of near by homes. Also the height of the 6 story will be too high for our neighborhood. all the area now onlt have 4 story high.

I am oppoes to he purpose of a six story new build as I hink is too high for our neighborhood. I am also against the building of the Non-market rental which will bring down our market price of our homes.
