To whom it may concern,

Could you please indicate, prior to the meeting and on a public forum, exactly where this proposed building is to be located on the property. Given all the covid restrictions which limits access to information, it is quite inappropriate to not demarcate the current and expected buildings on the site map. And are there 2 buildings or one? See below: 5.1 indicates 120 units, 5.2 indicates 121 units.

I would appreciate all information you can provide as there are many units in 8701 16 Avenue, Englewood Mews, which would be affected by a 6 story building on Derby Lands. If a towering block of 6 stories is in close close proximity to the property lines a valuable green space would be lost as well as noise, traffic and light pollution would have potential negative impact on our dense community.

Thank you,

Wendy Gould
