I would like to offer a comment regarding bylaw 14248, Rez.#19-14, #31-06 - 1920 Willingdon Ave.

The applicant is Shape Properties Corp. and their request appears to be to request a "liquor primary establishment".

This is a terrible idea. The area is very dense with residences and encouraging the consumption of alcoholic beverages until 2am nightly does not fit into the character of the area. There is a major concern that drunks, inebriated people and noisome individuals will make life difficult for those that desire peace and quiet at late hours; especially as noise travels easily, both vertically and horizontally in the area. It is very obvious Shape has not considered the negative impact of their application on the community.
