

Track Maintenance Alert!

Starting February 10, 2024

While expansion work is underway, **Expo Line service between Braid Station and Production Way–University Station will be impacted.**

Please plan accordingly:

- ☒ **Check “Next Train” information.**
- ☒ **Allow for 12+ mins of extra travel time.**
- ☒ **Expect possible crowding on trains and platforms.**

What's happening?

In preparation for the new Broadway Subway and Surrey Langley SkyTrain extensions, a brand new Maintenance Centre is being built in Coquitlam – creating essential space for added maintenance, repair, cleaning, and storage. As part of this construction, one side of the tracks near Braid Station will be closed for approximately two years – thus impacting service.

While SkyTrain Expansion represents an exciting time, we recognize it can be a challenging one too. Thank you so much for your patience and understanding.

If you need any assistance, ask our dedicated SkyTrain attendants or call **604.953.3333**.
