On behalf of Burnaby City Council, and all Burnaby residents, I want to thank our volunteers for putting in the hours to support our community. And thank you for bearing with us while we all learned how to conduct our virtual meetings.

Each year, the City of Burnaby recognizes one special volunteer with the Kushiro Cup, designating them as the Outstanding Citizen of the Year. I would like to take a moment to recognize **Simone Brandl** as the 2020 Kushiro Cup winner.

Simone has been chosen for this award for her leadership, passion and volunteerism, which has made a difference for many families and individuals in Burnaby. She is the program director for the North Burnaby location of the Burnaby Neighbourhood House, and also volunteers in her personal time with a variety of committees, clubs and associations.

During the COVID-19 pandemic, she realized how important it was to secure food for vulnerable people in Burnaby. Simone organized a food security working group, and kicked off a program to deliver food to over 4,200 Burnaby households on a weekly basis.

Simone is an inspiration, who embodies community spirit during difficult times. We are pleased to recognize her years of service to this community with the Kushiro Cup, the highest honour for a volunteer in Burnaby.

Once again, on behalf of Council, I want to thank Simone, and all our amazing volunteers for everything you do for Burnaby.”
