**Policy Number:** C-LS-2023-003

---

### A. POLICY

This policy outlines the requirements and processes for eligible organizations that apply to the City of Burnaby for Operating, Initiative and Recreation Sport grants that benefit Burnaby residents.

### B. DEFINITIONS

<b>City</b>	means the City of Burnaby.
<b>Corporate Officer</b>	is the employee appointed by Council and has the meaning included in Section 148 of the <i>Community Charter</i> .
<b>Council</b>	means the City Council.
<b>ECC</b>	means the Executive Committee of Council.

### C. AUTHORITY

The General Manager Corporate Services or designate is responsible for the administration of this policy.

### D. PURPOSE

Community grants are awarded to defray a portion of costs for established (operating for at least one year) registered/charitable or incorporated non-profit societies, which, in the judgment of Council, align with the City's strategic priorities and policies.

Grant applications will be considered twice per year in April and October. Funding will be budgeted annually as one lump sum each year and is available for operating grants, initiative grants and recreational sports grants.

Successful grant applicants are required to acknowledge the City's contribution to their activities and projects in all promotional material. A City logo will be provided to successful grant applicants for acknowledgment purposes.

There is no appeal process should a grant be denied or partially funded. If a grant request is denied, applicants cannot re-apply for the same grant request until the following calendar year. Changing the grant request amount does not constitute a new application.

The City does not provide community grants to cover costs for past events, past deficits or capital improvements.
