Dear Mayor Hurley and Members of Council:

Metro Vancouver Capital Projects – Active and Upcoming Construction in Burnaby

Thank you for giving our staff the opportunity to present updates on active and upcoming construction projects in the City of Burnaby at your Council Meeting on Tuesday, March 12, 2024. We acknowledge the impacts these have brought to the residents and businesses, and we are implementing additional ways to minimize these impacts.

We will also be contacting your Legislative Office to arrange a follow up meeting in a few months. In the meantime, should you receive additional feedback or complaints about our projects, please relay them either to me or to the following staff either by phone, text, or email:

Liquid Waste Services Projects
