Attention Mayor and all City Councillors

We apologize for not sending to each of you directly, but we're running out of volunteer energy and time.

We salute Burnaby's initiatives re: Creating Rental Housing. At the same time we're trying to ensure that your citizens don't get evicted through "No-Fault" provisions in Provincial rental law.

Last Friday we sent a letter and faxes to the Minister of Housing the Hon.Ravi Kahlon and Premier David Eby and Cabinet Ministers. It was regarding changes to provincial law to prevent "No-Fault" evictions.

Today that letter became news and was defined as 'Opinion'' as it appeared in full in the Burnaby Now.

Respectfully we ask if there is any reason why you and your Council wouldn't support these changes in Provincial rental laws in light of the initiatives you continue to take to create Rental Housing. Specifically we are asking for a motion of support from your Council to protect tenants' rights in Burnaby and throughout BC.

Please call with any questions or concerns: David Hendry New Westminster Tenants Union Redacted as per FOIPPA Section 22

Here is our letter to the province advocating for changes to the no fault eviction legislation, as it appeared word for word as "Opinion" in today's Burnaby Now. https://www.burnabynow.com/opinion/opinion-a-possible-solution-to-bcs-rental-law-loopholes-8405988 * Last week we managed to talk to Mike Smyth on his radio program and here's a link to that archived interview. As indicated below you will have to scroll down a little through the 'playlist' archive to find the "No Fault" eviction interview. https://curiouscast.ca/podcast/681/the-mike-smyth-show/
