Hi Eric. I hope/trust this email response will still be another indication of support to this initiative:

We consent, Kevin and Kitty Poon, 4644 Brentlawn Drive.

If this is not sufficient at this time and something more tangible is required, please let me know. At minimum, you have our personal information and can add to your database of support from residents of the 4600 block of Brentlawn Drive against the revised application for the Brentwood site. I have RSVP'd for the Burnaby gathering at Bonsor so I may see you there this evening. I am hoping this is not solely a political rally from the Opposition or competing party but that we will have sufficient time to focus on Bill 44 and 47.

I appreciate you sharing the letter earlier this morning from another person in the community and believe it highlights the essence of the issues Brentwood Park (and Burnaby) are facing. Many thanks.

Kevin & Kitty
