Dear Burnaby Mayor and Council,

Re: 5292 and 5318 Kingsway. Burnaby (RZ #21-16)

As a current young Burnaby resident at the Amazing Brentwood who values affordable housing options and a goal of growing my own family, I am writing to support the Rezoning Application RZ#21-16 (5292 and 5318 Kingsway). I believe that the proposed development will help:

- Create a liveable and thriving community
- Provide essential support to local businesses
- Bring affordable housing and various types of units for 1st time home buyers and growing families

I hope that we can vote in favour of approving this development proposal (RZ #21-16).

Sincerely,

Kelly Chan
