Rezoning application or bylaw number

Burnaby Zoning Bylaw 1965, Amendment Bylaw No. 42, 2023 - Bylaw No. 14620

Submission

Sirs,

My husband and I are owner occupants who reside at the Triomphe. We are against the amendment to the bylaw. Almost since the start of 2023, within a block or two of us, there has been a constant digging of major roads. For the past three months we have not been able to use the intersection of Gilmore and Halifax. Of note we did not receive any notice of the road being torn up in front of our building. Now today the road is being dug up yet again at Gilmore and Henning after being torn up earlier this year. Lougheed Highway at Gilmore was again torn up which we had to listen to all weekend through Sunday.

If this amendment passes, we will lose most of our direct sunlight because of the buildings' heights. Also we will lose a beautiful view of Mount Baker. When we bought during the pandemic we carefully read all of the Brentwood community plans and chose to buy here because of that. Because of that plan we were also prepared to lose a lot of our southern view because of the Gilmore Place. We chose to move to Burnaby from the lower Lonsdale North Vancouver community for less headache of the bridges and the community feeling of the Brentwood area. Now it seems that council wants Brentwood to turn into Metrotown. Please do not let this happen. Stick to the original community plan which sold us on making the move to Burnaby after living so long on the North Shore.

Thank-you,
Sandra Cachej
