---

Good afternoon,

On behalf of the Vancouver Fraser Port Authority, please be advised of our request to appear as a delegation in front of Council on July 8, 2024.

I have just submitted a delegation request form with the following details:

**Speakers:** Charlotte Olson (Director, Infrastructure Delivery), and Jennifer Johnston (Manager, Infrastructure Delivery)

**Title of the delegation:** Vancouver Fraser Port Authority update on the Holdom Overpass project

**Details about appearance:** On July 8, 2024, the Vancouver Fraser Port Authority would like to provide an update to City of Burnaby Mayor and Council, and the community, about the Holdom Overpass project's progress and next steps, including the third and final phase of engagement and the anticipated construction schedule. Our delegation will go over a few slides and take questions from Council and the public.

Kindly let us know if there is anything else you require.

Regards  
Andrea
