Details about your appearance

We would like to update council on the challenges and issues facing Deer Lake Gallery and Burnaby Arts Council in the past 6 months. We will be explaining our financial challenges and how we will be reassembling our nonprofit organization throughout 2025. We hope that Council will better understand how our group intends to rebuild, and ask for joint financial support (along with the Cultural leadership at Burnaby City Hall) to consult with professionals to construct an effective operational plan.
