A request to action

What is the intended title of your delegation?

Hastings St Bus Speed & Reliability Improvements

Details about your appearance

Hastings St is a key transit corridor in North Burnaby and buses carry up to 1/3 of people that move along Hastings St. Buses - including R5 RapidBus - are subject to delay from private vehicles. TransLink and Burnaby staff have been studying opportunities to improve bus speed and reliability on Hastings St. Based on the

findings of the study, TransLink will present a recommendation to City Council for endorsement.
