Rental Redevelopment Considerations

Details about your appearance

We would like to present information to council on Jan 21, 2025 to share challenges with the redevelopment of old rental buildings, and to help inform policies and incentives that facilitate the redevelopment of the old rental housing stock in the City. Mr. Zack's family has been operating a rental apartment building in Burnaby since

1969 and is planning to replace it with a modern new building to house Burnaby residents for another 60+ years.
