Description:	The City of Burnaby ("City") seeks an Enterprise Resource Planning (ERP) software system for a five (5) year term with options to extend up to five (5) individual one year periods, for a maximum of ten (10) years total, at the sole discretion of the City. The City is interested in an enterprise plan from an Enterprise Resource Planning software provider. The scope of services includes, but is not limited to, the purchase, implementation, and support and maintenance of a Solution that supports all requirements and complies with all regulations, policies and guidelines relevant to the City and requires little to no customization to meet its requirements.
Bid Document Access:	Bid Opportunity notices and awards and a free preview of the bid documents is available on this site free of charge without registration. Please note, some documents may be secured and you will be required to register for the bid to download and view the documents. There is no cost to obtain an unsecured version of the document and /or to participate in this solicitation.
